

Making It Possible.

What is SCFD?

Denver Zoo Outreach serves facilities and schools in the SCFD free of additional travel charges. The Scientific and Cultural Facilities District (SCFD) is a special tax district that provides funding to over 300 organizations via a 0.1% retail sales and use tax (one penny on every \$10). Adams, Arapahoe, Boulder, Broomfield, Denver, Douglas and Jefferson are the seven counties that comprise the district. The district's physical boundaries are contiguous with the Regional Transportation District (RTD). For more information, log onto www.scd.org.

Is My School or Facility Located within SCFD?

The following is a numerical list of zip codes located within SCFD boundaries. If your zip code matches one on this list, your school or facility is located within SCFD and no additional travel charges apply to any Denver Zoo Outreach program.
