## WHAT IS THE 30-MINUTE INTERACTIVE PROGRAM?

Our interactive program is led by experienced zoo educators, and will include exploration of animal biofacts (fur, feathers, scales, teeth, etc.) as well as live animal encounters with members of our Education animal collection. Plenty of fun, interaction and age-focused activities are included! We will do our best to incorporate biofacts (or live animals, where appropriate) that relate to your child's favorite, but consider adding on a guided tour for a true custom experience tailored to your child's favorite zoo animals!
