- ◆ Social Science

On your way out, stop by the zoo gift shop with this map and get a special sticker!

PLACE STICKER HERE

- 1 Find the "Gong Rock" and see what music it makes. Drum your own wild rhythm alongside.
- 2 Find the hyena sound buttons. Now, tell them a joke and listen to them laugh.
- 3 Play "Eye Spy" in Pahali ya Simba, Place of the Lion: Find the bronze lizard, turtle and frog sculptures, a lizard cave painting and two African shields. Which one is your favorite?
- 4 There are footprints all around Predator Ridge. Follow the tracks and see if you can figure out which animals left them there. Mimic your favorite animal as you follow their footsteps.
- 5 Croaking contest! What happens when you touch the frog sculpture? Ask a friend or loved one to mimic the sound with you. Who sounds the silliest?
- 6 Find the lion's skull and touch its teeth. What kind of food are these teeth made to eat? Now bare your own teeth and give your best lion's roar and pounce!
- 6 Find the lion's skull and touch its teeth. What kind of food are these teeth made to eat? Now bare your own teeth and give your best lion's roar and pounce!
- 7 Point out members of the lion family. Does your family ever do what they are doing?
- 8 Are zebras black with white stripes or white with black stripes? Can't decide? Look at their bellies. Pretend to be a zebra herd with the people in your group.
- 9 Find the tallest giraffe. Could it fit inside your bedroom? Stretch your arms out and make yourself as tall as you can be!
- 10 What was your favorite animal in Predator Ridge? In the grassy meadow by the giraffe house, run like you think that animal would run. Add your animal's sounds for even more fun!

Visit your local Goddard School and mention the activity map for a free gift! There are 18 area Goddard School locations, to find one near you visit GoddardSchool.com.
