Question of the Day: How would you change your house to help an elephant live there?

Animal Experience: What animal(s) did we meet? Why did we meet the ones we did?

Engineering Challenge: Campers draw or build a house that would make an elephant happy. What did you create? How would this make an elephant happy?

Further Exploration: How did we explore the Question of the Day further? What did we do?

Taking it Home: How can we make sure our pets at home or animals in our community have what they need to be happy and healthy?
