

# Welcome to Denver Zoo Safari Mini-Camps

2<sup>nd</sup> – 3<sup>rd</sup> Grade

## December 26<sup>th</sup> Under the Sea

**Question of the Day:** How is water different in different parts of Denver Zoo?

**Zoo Exploration:** Otters, Sea Lions, Tropical Discovery Ocean Exhibits. What did we see?  
How did this help us solve the Question of the Day?

**Animal Experience:** What animal(s) did we meet? Why did we meet the ones we did?

**Further Exploration:** How did we explore the Question of the Day further? What did we do?

**Engineering Challenge:** Build a fish habitat!

**Taking it home:** How and why do we take care of water at the zoo? Why is it important to know what is in water? Where does the water in your home come from? How can you tell it is clean?

## Snacks

**AM Snack:** Juice,  
Graham Crackers,  
Apple Sauce

**PM Snack:** Goldfish,  
Kind Bar
