

Welcome to Denver Zoo Safari Mini-Camps

2nd – 3rd Grade

January 2nd

Jaws, Paws, and Claws

Questions of the Day: Which animal is the best at catching fish?

If you wanted the animal to show this behavior, how could you redesign their enclosure?

Zoo Exploration: Fish-Hunters: Tigers, Otters, Sea Lions, Eagles, Penguins, and more! What did we see? How did this help us solve the Question of the Day?

Animal Experience: What animal(s) did we meet? Why did we meet the ones we did?

Game: Gator Swamp

Engineering Challenge: Redesign an enclosure to show off the animal's ability to catch fish.

Further Exploration: More zoo exploration! How did we explore the Question of the Day further? What did we do?

Taking it home: How can we learn from animals? Which animal that you saw was best at catching fish? How can it help give us ideas about how to catch fish, ourselves?

AM Snack: Juice, Snack Mix
