

Welcome to Denver Zoo Safari Mini-Camps

2nd – 3rd Grade

January 3rd Too Cold to Hold

Questions of the Day: What natural materials make the best insulators? How can we keep something warm when it's outside in the cold?

Zoo Exploration: Penguins, Sea Lions, Seals, Tigers, Otters. What did we see? How did this help us solve the Question of the Day?

Animal Experience: What animal(s) did we meet? Why did we meet the ones we did?

Engineering Challenge: Design something to keep hot water warm when we take it outside into the cold.

Further Exploration: More zoo exploration. How did we explore the Question of the Day further? What did we do?

Science Experiment: Ice Bucket Challenge!

Taking it home: What natural materials keep animals insulated? How did this information help you keep your instructor's hand warm in cold water? Could this help you stay warm in the winter?

Snacks

AM Snack: Juice, Snack Mix

PM Snack: Graham Crackers, Kind Bar

* Menu items are subject to substitution. View ingredients [HERE](#)

Important Info:

- Please read the [IMPORTANT INFORMATION PDF](#) to ensure you and your child are ready for camp.
- Campers must bring a lunch, water bottle, and dress for the weather (plus lots of walking!). As most animal exhibits are outside, we WILL go outside every day.
- A photo ID is required every day at pick up. Please notify the staff ahead of time if someone who is not on the authorized pick-up list will be picking up your child.
- To contact us during the day, add authorized pick-ups, or to arrange a late arrival/early pick-up, call the Guest Care Center at 720-337-1400.

UPCOMING Safari MINI-CAMPS

Winter Safari Mini-Camps in January, February, and March:

Too Hot to Handle – Jan 4th
Growing Up Wild – Feb 18th

Spring Safari – March 25th to 29th
