

# Welcome to Denver Zoo Safari Mini-Camps

K-1<sup>st</sup> Grade

**December 28<sup>th</sup>**

## Welcome to the Jungle

**Question of the Day:** Can you build a shelter that a human could survive in based on what you learn from the habitats and behaviors of jungle animals?

**Zoo Exploration:** Tropical Discovery, Bird World, or Toyota Elephant Passage.  
Which “jungle” exhibits did we see? How did this help us solve the Question of the Day?

**Animal Experience:** What animal(s) did we meet? Why did we meet the ones we did?

**Engineering Challenge:** Design a shelter based on jungle animal behaviors and habitats. Why did campers choose the design they did? How did campers test their shelters?

**Further Exploration:** More zoo exploration. What are Biofacts, and how did observing them help solve the Question of the day further?

**Taking it Home:** What does your family’s house have which is similar to something you added to the shelter you built? How can shelters help humans live in different types of environments?

## Snacks

**AM Snack:** Graham Crackers, Kind Bar

**PM Snack:** Ice Cream Sandwiches
