

Welcome to Denver Zoo Safari Mini-Camps

Pre-K

January 3rd Too Cold to Hold

Questions of the Day: Why are seal, penguin, and otter bodies the way they are? Can you build a snowman in the shape of an otter, penguin, or seal snow "slide" for animals?

Zoo Exploration: Seals, Sea Lions, Otters, or Penguins. What did we see? How did this help us solve the Question of the Day?

Animal Experience: What animal(s) did we meet? Why did we meet the ones we did?

Engineering Challenge: Snow Animal or Snow Slide Challenge!

Further Exploration: More zoo exploration! How did we explore the Question of the Day further? What did we do?

Taking it Home: What makes some animals great swimmers? What can you do that an animal does that could help you to become a great swimmer?
