Kindergarten-1st Grade

March 25th

Twisted Tails – The Three Little Pigs

Questions of the Day: Looking at pig adaptations, what kind of “house” would work best for them?

What adaptations do pigs have to defend themselves?

Zoo Exploration: Red River Hogs in Primate Panorama, “Charlie” the Pot-Bellied Pig. What did we see? How did this help us solve the Question of the Day?

Nature Play: Build a tiny house out of sticks, straw, and stones.

Animal Experience: Which animal(s) did we meet in our classroom? Why did we meet these?

Engineering Challenge: Design a new enclosure that works for a hog or pot-bellied pig.

Further Exploration: Explore more exhibits of the campers’ choosing (compare defense adaptations to pig adaptations)! How did we explore the Question of the Day further?

Taking it Home: What do pigs tell us about the things that all animals need? What do pigs need that pets at home also need?
